RECEIVED

PSC SC
DOCKETING DEPT.

Dear Mr. Weaver:

I have received your request invoking the Administrative Procedures Act and requesting information, which was faxed to our office from "Renaissance (843) 774-2050" on September 24, 2007, at 8:33 p.m.

We intend to comply fully with our obligations to provide you with public information. However, subsequent to receiving your fax, on September 27, 2007, we received a filing from Progress Energy informing us of the fact that you and Mrs. Weaver have compromised, settled, and released any and all claims relating to the matters pending between Mrs. Weaver and Progress Energy in the Court of Common Pleas and at the Public Service Commission. In light of your settlement agreement, I am writing to ask you to confirm in writing whether you still wish us to copy and send to you (at your expense, at the rate of ten cents per copied page, plus reasonable costs of packaging and shipping) the documents responsive to your request to which you would be entitled under the statute. If you do still wish these documents to be copied and sent to you, we will require a deposit to cover the costs. We will inform you of the amount of the required deposit once we receive notice from you that you still desire copies of the documents and once we estimate the number of pages responsive to your request.

Sincerely yours,

B. Randall Dong
